Zurich, 1 February 2017 - Entrepreneur Partners AG, a FINMA-regulated asset manager in Zurich, announced today that Urs Wietlisbach will join the Board of Directors and will invest in the company.

Financial expert Urs Wietlisbach, one of the founding members of Partners Group, has been appointed to the Board of Directors and will apply his expertise to actively contribute to the expansion of the independent asset manager Entrepreneur Partners.

Oliver Ganz, co-founder and CEO of Entrepreneur Partners, especially values Urs Wietlisbach's knowledge of the financial market and his entrepreneurial drive: "We will undoubtedly be able to benefit from Urs Wietlisbach. His experience as an entrepreneur and investor as well as his extensive network in the financial industry will make an invaluable contribution. The investment environment has grown considerably more complex over the past few years, which is why we will continue to strengthen our company's knowhow in the area of non-traditional investments. Urs Wietlisbach will be able to lend tremendous support in this regard."

When asked about his new appointment at Entrepreneur Partners, Urs Wietlisbach said: "Client requirements concerning asset management have fundamentally changed over the past few years. Following this latest appointment, the Board of Directors of Entrepreneur Partners AG will comprise the Chairman Werner Dubach (also a member of the Board of Directors of Datacolor and Conzzeta), Jürgen Dormann (formerly on the board of ABB, Adecco and Sulzer), Heinz Roth (also a member of the Board of Directors of Meyer Burger and Walter Meier) and now Urs Wietlisbach.
